FACE COVERING POLICY

All Marriott International associates wear face coverings as a part of their uniforms. Following American Hotel & Lodging Association (AHLA)'s "Safe Stay Guest Checklist", Marriott International requires all guests to wear a face covering in its hotels in North America, the Caribbean and Latin America.

"Health experts have made it clear that wearing face coverings in public spaces is one of the easiest steps that we can all take to protect one another and reduce the spread of COVID19. As part of our commitment to clean, we made it a brand standard that associates wear masks and set an example." – Arne Sorenson, Marriott International President and CEO, July 20, 2020
